Title

## ASSIGNMENT AND AGREEMENT

For value received, we, **Richard F. Rudolph**, of Loveland, in the State of Ohio, and **Deena Y. Brooks**, of Germantown, in the State of Tennessee hereby sell, assign and transfer to **International Paper**, a corporation of the State of New York, having an office at 1422 Long Meadow Road, Tuxedo, New York, U.S.A., and its successors, assigns and legal representatives, the entire right, title and interest, for the United States of America, in and to certain inventions related to **CONTROLLED REMOTE PRODUCT INTERNET ACCESS AND DISTRIBUTION** described in an application for Letters Patent of the United States U.S. Serial No. 09/809,732 filed March 15, 2001, executed by us, and all of the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions; and we also concurrently hereby sell, assign and transfer to **International Paper** the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

We authorize **International Paper** to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of **International Paper** to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

We request that any and all patents for said inventions be issued to **International Paper** in the United States and to **International Paper** in all countries foreign to the United States, or to such nominees as they may designate.

We agree that, when requested, we shall, without charge to **International Paper** but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents or other forms of protection.
